Cornack, James Black or
phone 38-J.

MONTPELIER

Mrs. Arthur Ellis died Saturday Even-
ing—Funeral Tuesday.

Mrs. Marguerite (Stone) Ellis, wife
of Arthur Ellis of Montpelier, died at
Horton hospital Saturday evening. Mrs.
Ellis was a native of Montpelier, born
March 8, 1884, a daughter of Mr. and
Mrs. A. G. Stone. She had passed her
entire life in the city. She was gradu-
ated from the high school and later
from Montpelier seminary. She had
been employed several years in the Na-
tional Life offices. During the war she
was married to Arthur Ellis, who was
then in service. Besides her husband
and infant son she is survived by her
mother, who is advanced in age. The
deceased was a very popular young
woman in Montpelier, with a large
circle of friends. The funeral will take
place at 2 o'clock Tuesday afternoon.

Watch this space.—adv.

Harold Jones, who is now employed
by the store account department of the
Boston & Maine railroad, passed Sun-
day with relatives in the city.

Mr. and Mrs. Charles Parker and son,
Harry E. Parker, Miss Ivis Rattassi,
their maid, Mr. and Mrs. Charles Doyle,
the former their chauffeur, and Mrs.
Martha Perrin, Mrs. Parker's mother,
leave Montpelier Saturday evening for
Miami, Fla. Mr. and Mrs. H. E. Parker
of Bradford, Miss Sara Parker and
Mrs. Lee Parker and son will accom-
pany them.

Mrs. Carlyle Hancock received a mes-
sage Saturday of the death of Lieut.
tenant Hancock, her husband, in Hali-
fax from France. He is assigned to
duty for a short time at least at Hali-
fax. Just what this is to be is not yet
learned by Mrs. Hancock, who will join
him shortly.

Dale Donahue, who has been in
charge of the construction of a piece of
federal aid project highway work in
Salisbury, has returned to his duties
in the state engineer's office, having com-
pleted the job Saturday. This was not
a contract job, like some of those in
the state, but it was done on what is
known as a "forced account," whereby
the work is done at cost as near as
possible. The estimate which the fed-
eral office fixed as to the expense was
a little over \$19,700, while the account
shows that the actual expense will not
exceed \$18,000, so that a considerable
sum will be saved on the job. The dis-
tance of road constructed was 7,600
feet.

Irma H. Edson, who has been janitor
at the city hall, has completed his du-
ties there and resumed his old position
as night watchman at the State House.

Miss Eunice MacKenzie, who has
been ill for a few weeks with grip, is
expected to resume her work in the
state highway commissioner's office if
her present tendency toward recovery
continues.

Henry Hall, of the auditor's office,
has gone to Brandon in connection with
work in that department.

Mrs. Henry Montague has presented
to the State Historical society a tall
clock which was constructed in 1815
and has been in her family all of the
time since made. It has been moved to
the state building and will be placed on
exhibition in the historical rooms. It
has a second hand and indicates the
days of the month.

Among the reports of accidents re-
ceived this morning at the secretary
of state's office were included the fol-
lowing: Charles Tuxbury of Windsor,
a member of the board of charities and
probation, made a report that Gilbert
A. Davis of that town walked into the

side of his, Tuxbury's automobile,
knocking down Mr. Davis, who is 84
years of age. It seems that Mr. Tux-
bury did not see the man until he was
beside the car. The man was hit by
the rear fender. B. J. Thurler of
Rochester reports that while driving
Charles Blair's car it went off the bank
the 10th of the month, doing some
damage. N. D. Phelps of Barre reports
that the team of E. B. House swerved
towards his car at the entrance to Mr.
House's yard the 13th, with the result
that the end of the wagon tongue was
caught by the car and a little damage
to the wagon and harness ensued.

The bumper was knocked off the
front end of S. S. Ballard's automobile
about 11:30 o'clock this morning near
the State House grounds by a trolley
car. It appears that Mr. Ballard's car
was too close to the car track. The
front end of the vestibule passed the
bumper but when the corner of the
car proper approached it struck the
bumper, pulling it off at one end. The
automobile was traveling probably
about four miles an hour. After a
little conversation over the accident,
both vehicles were moved along the
street.

O. G. Eaton of Waitsfield has been
